## **RASITA: A PERSPECTIVE**

Rasita(रसित) is derived from a sanskrit word meaning tasted. Our company Tree Tale India began production of herbs and spices last year in September 2020. Since then we've been successful to manufacture different varieties of powder to pastes in short span of time. We've integrated the most modern technology and manufacturing practices to make healthy lives a lot easier. With the help of our team we introduced the right mix of technology, manpower, raw materials and new product development leading us to the green concept of food industry.
